*Application Guide for Academic Year 2018-2019*

**APPLICATION POSTMARK DEADLINE: SATURDAY, MARCH 10, 2018**

**Note: You need not be a resident of Marin County to apply**

### INFORMATION

The New Leader Scholarship was established with the Marin Community Foundation for the purpose of helping fund the education of undergraduate students and graduate students who were previous New Leader Scholarship recipients. Recipients attend one of the Bay Area's public universities – California State University, East Bay; San Francisco State University; San Jose State University; Sonoma State University; or University of California at Berkeley – and demonstrate financial need and high academic achievement. The fund honors Dr. Ruth Goldman, San Francisco State University psychology professor emerita.

Several scholarships of up to \$8,000 each are awarded annually with the potential for renewal. Awards are limited to upper division students who have attended the school for one academic year or more. Funds can be used for tuition and/or living expenses. Additional assistance for costs of graduate school application and graduate entry exams may also be available to recipients.

### PURPOSE

**The New Leader Scholarship is especially designed to provide aid to students who come from financially and educationally disadvantaged backgrounds and demonstrate leadership capacities. Preference and priority are given to recent immigrants and students of color. Students should be planning to pursue advanced education in the social sciences, human services, health-related fields or public service and be able to demonstrate a commitment to serving others. Students will be expected to remain connected to The New Leader Scholarship Fund and awardees' network in order to contribute to the goals of the Fund**
