

Leaders for Change

Derick Brown

I am the first in my family to go to college. I am a transfer student, a re-entry student and a parent. I am a senior at U.C. Berkeley.

My passion is working with youth. I have worked at the Boys and Girls Club of San Francisco for seven years as a Director of Teen Services and also work as a counselor at the San Francisco Youth Guidance Center.

I am committed to helping young people stay off the streets and gain access to meaningful activities that encourage education.

I served as student trustee on the San Francisco City College Board of Trustees.

I am also a former *intern of Madam Speaker Nancy Pelosi* and currently serve on her San Francisco Youth Advisory Board. Having spent this past summer at the U.C. Goldman School of Public Policy, my academic goals are now to earn a Master's degree in Public Policy and a law degree.

My dream is to become a public defender in the Juvenile Courts and eventually Chief Probation Officer of California. In time, I hope to run for the SF Board of Supervisors, representing the Western Addition District where I grew up.
